

## **Information for donors-**

### **What the donations actually do.**

Your donation will go directly to wounded warfighters in need of custom adapted items they cannot get or find anywhere else. These items are custom made for each individual. The process of making these items often requires extensive face to face sessions to discuss approach, review the prototype and test the completed item. Travel to the person's location, purchase or fabrication of components and final construction costs are all part of the donation's use.

We do all our work with volunteers and do not waste any of the donations on frivolous expenses. Our goal is to maintain a 100% use of the donations on the warfighter's needs.

### **Your donation is tax deductible.**

Warfighter Engaged, Inc. is a non-profit organization exempt from federal income taxation under IRC 501(C)3. Donations are tax deductible for United States citizens. For donors outside of the United States, please consult with your tax advisor regarding whether your donation is tax deductible.

Our Tax EIN # is 46-3903385 for donations made after July 2014.

### **You can I get a tax receipt.**

Yes, all online donations receive a charitable tax receipt for income tax purposes. The tax receipt is sent to you by email from PayPal to avoid administrative and mailing costs. However, if you would prefer that a receipt be mailed to you, this request can be accommodated. If your donation is made by check or money order through regular mail, a donation letter will be mailed to the address provided or written on the check.

### **You can donate even a small amount.**

There is no minimum amount. Every dollar helps perform our mission and is welcomed by us and the recipient of the item.

### **You can dedicate a donation to someone.**

You can specify who your donation is in honor of and will let their family be made aware of this if only if you so desire.

### **Ways you can make a donation.**

At this time you cannot donate over the phone but we hope to do this in the near future. We encourage you to take advantage of the convenience and security of **Paypal**. You can also download our donation form and mail it in with a check or money order. We are hoping to expand our donation methods. Please note that **Paypal** donations do incur a small processing fee.
